Serial Number: 0017C54B2280

Terms and conditions:

The following terms and conditions apply to the SonicWALL Customer Advantage Program

Secure Upgrade Plus
To qualify for Secure Upgrade Plus, the participant must be the legal Owner of the Eligible SonicWALL Product or Eligible Competitive Product listed below. In order to purchase the corresponding SonicWALL Replacement Product, the Eligible SonicWALL or Eligible Competitive Product must be (i) currently registered with the manufacturer, and (ii) listed in the Eligible Product Matrix below.

In all cases, both customers and resellers are advised to consult the Eligible Product Matrices for each product line prior to completing any purchase. End customer contact information must be provided at the time of registration regardless of which party (i.e., the end customer or reseller) is completing the registration process.

SonicWALL reserves the right to validate legal ownership (e.g., by requiring a receipt or
